All Kinds of Shoes

There are all kinds of shoes

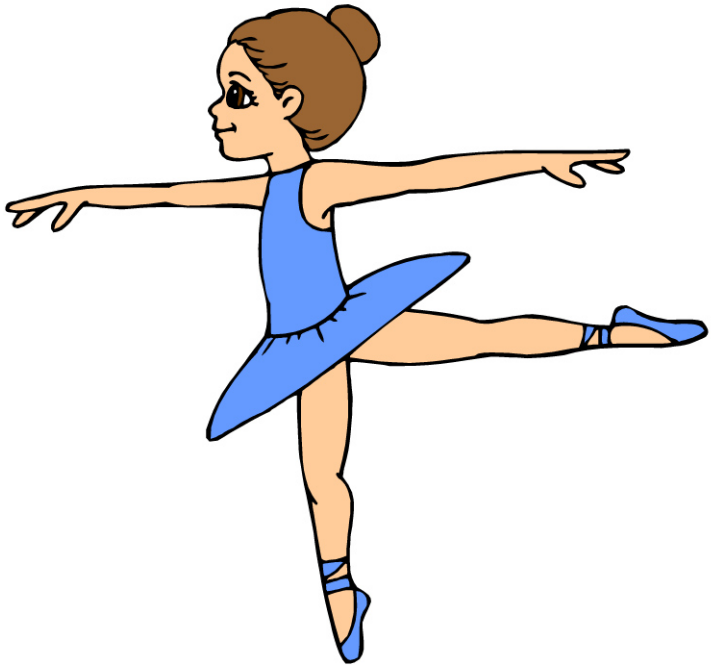
For all kinds of feet,

To wear at home

Or out on the street.

While you're doing the thing

That you like to do.



But the best shoes of all

Are the ones that fit you

There are boots for splashing,

And sneakers for dashing.

There are slippers

for napping,

And tap shoes for tapping,

There are cowboy boots

for riding,

And ice skates for gliding.
