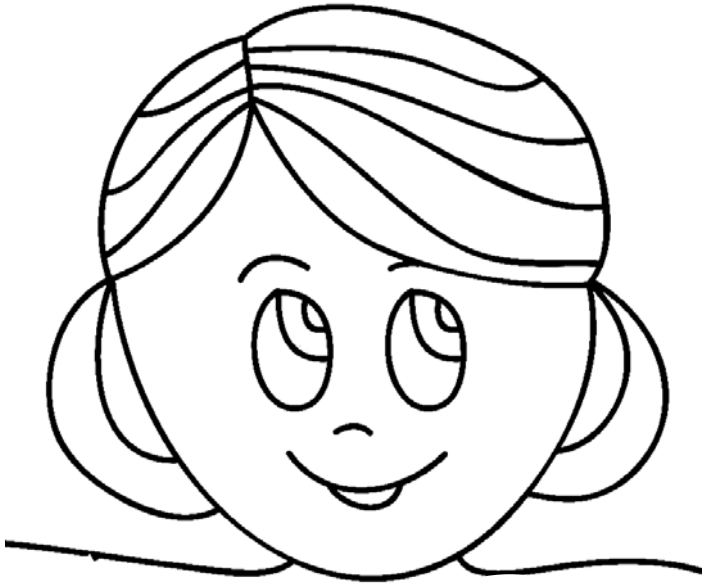
It's Raining Cats and Dogs!

Mother just told us

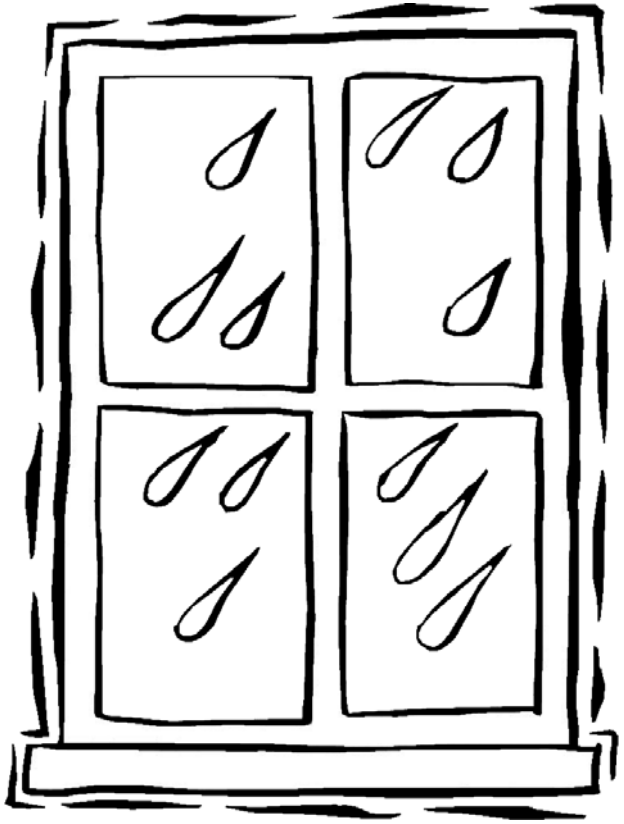
We can't go out to play



I wondered if my

funny Mom

Was making jokes again!



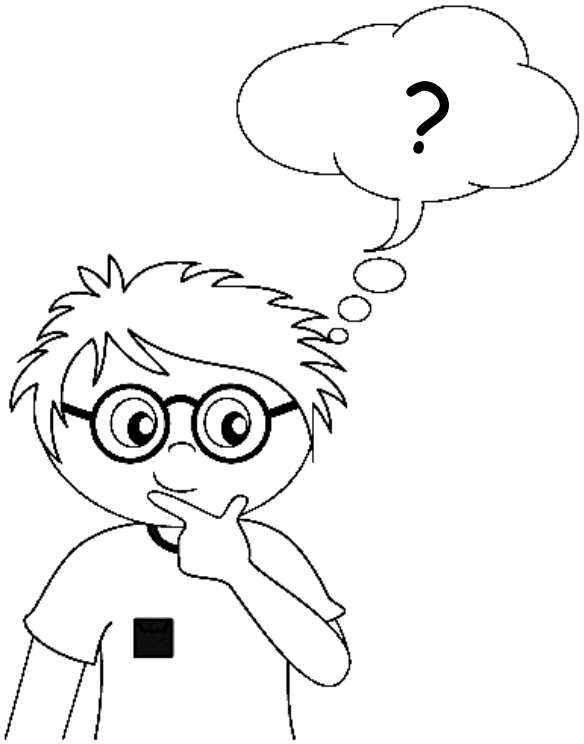
I looked out the window

All I could see was rain.

She said it's raining

cats and dogs.

That's a funny thing to say!



So why can't we go

out today

The dogs and cats to see?

Is Mom afraid a great

big dog

Or cat will fall on me?
