I have fun playing with my friends.  
Here is what we do to have fun.

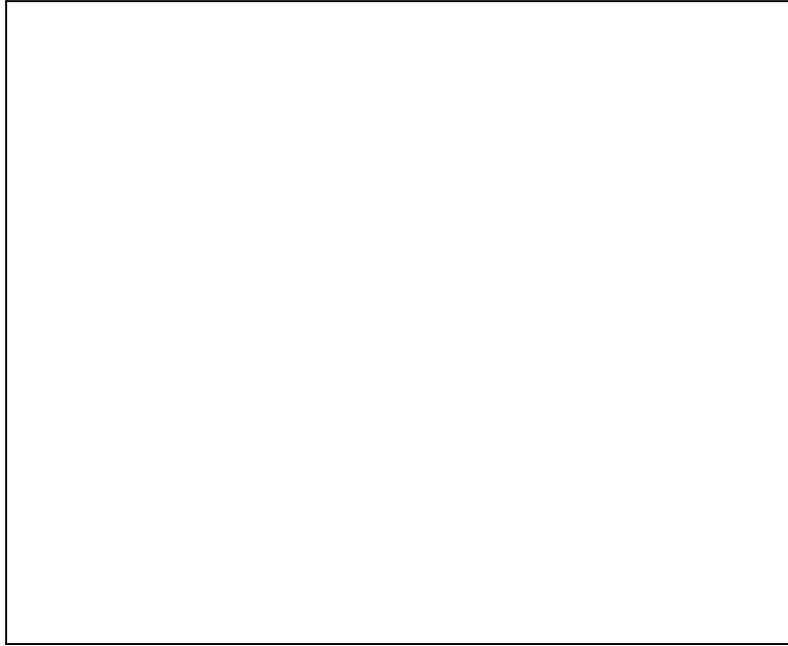

I like my friends!

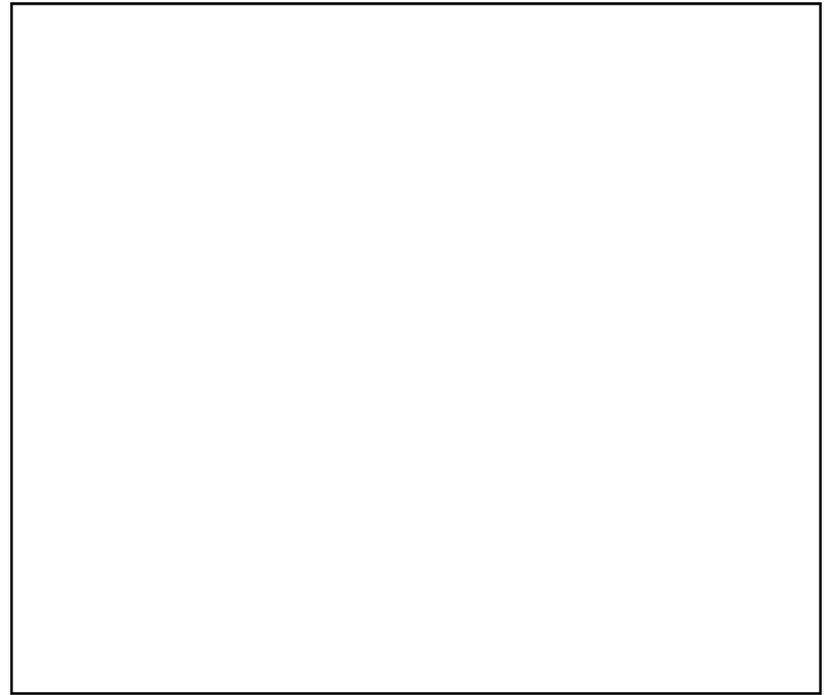

We have fun playing at the school,  
at the park and at my house.

We have good fun!

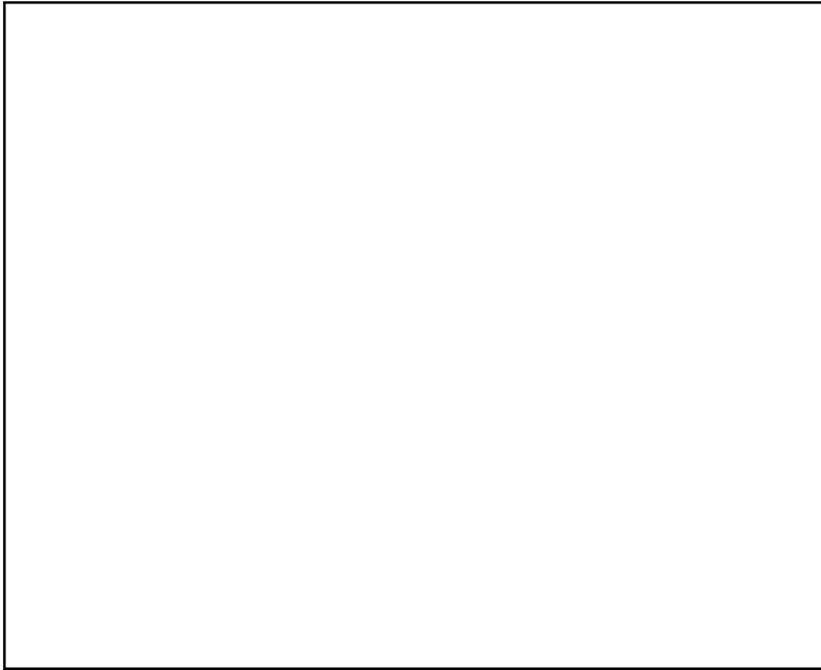

Do you want to play with us?

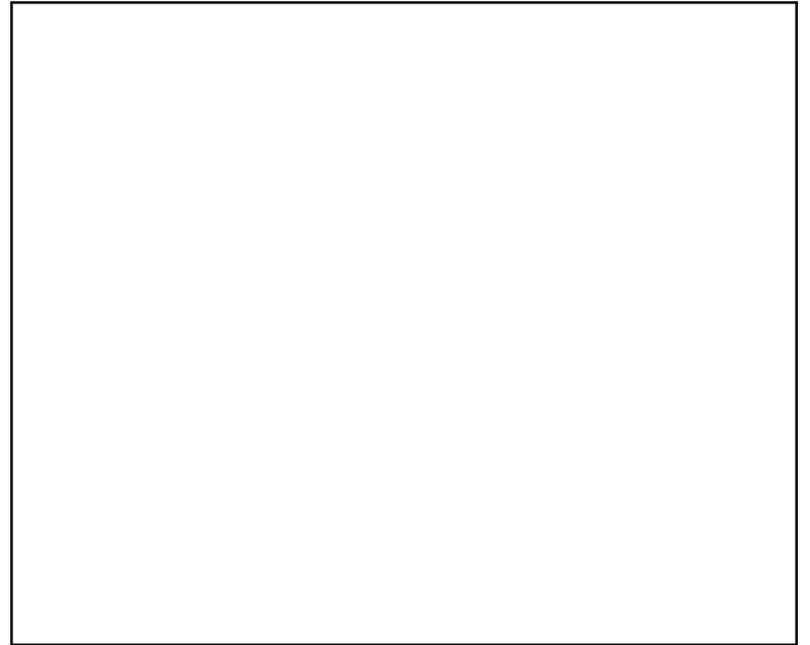

Tomorrow I will not be at school.  
We will be going to the store  
with my Mom.  
\_\_\_\_\_ will be going, too.  
We will see something good!  
What will Mom do?  
Will we have something good?

I play with friends at school.  
\_\_\_\_\_ is a school friend.  
I look at books with \_\_\_\_\_.  
We have fun looking at books!  
We have good books at school.  
The boys and girls at school like  
to look at good books.

Today \_\_\_\_\_, \_\_\_\_\_  
and I are going out.  
\_\_\_\_\_ likes to run, and I like  
to run, too.  
\_\_\_\_\_ likes to go up, up, up.  
\_\_\_\_\_ looks down on me.  
We go out and have fun.

Today we will go to my house.  
\_\_\_\_\_ and \_\_\_\_\_ like  
to play here.  
Mom said we can have oranges.  
My Grandma is here, too.  
She will have fun with  
\_\_\_\_\_, \_\_\_\_\_ and me.
