

100 Days Of School

100 days of school in all,
100 days of school,
We managed to count
a large amount,
100 days of school!

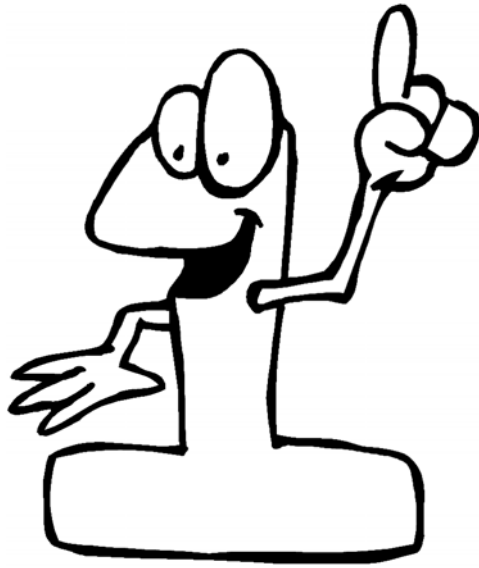

100 days of school in all,
100 days of school,
We managed to count
a large amount,
100 days of school!

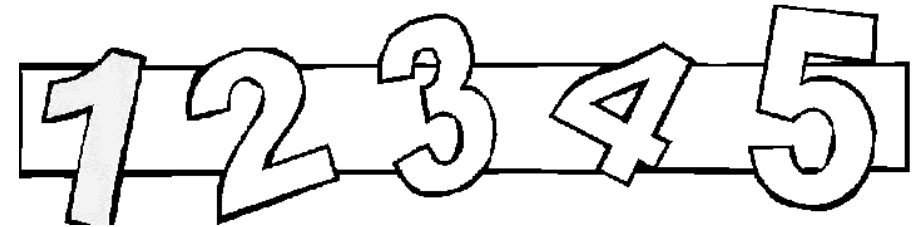

20, 30, 40 days in school,
50 days and more!
60, 70, 80, 90 days,
100 wonderful days!

It's the 100th day of
school today.
Let's start the day with
a grin.
For tomorrow will be 101,
So let the party begin.

How did we get to 100
days?
100 days of school?
We started the fun
with number 1,
Counting the days
of school!

There was 1 day of school
at first,
Then 2, then 3, then 4.
We got up to 10, but
didn't stop then,
We went to 100 days!

100!

100!

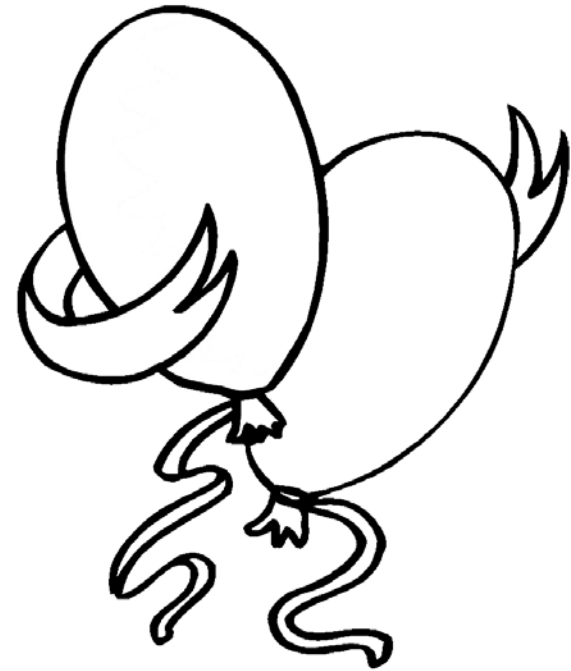

It's 100 Day!

It is 100 Day!
We have been in school for
100 days.

Here is a cake for our party.
100 candles would be too
many, so we are going to have
one big candle on our cake.

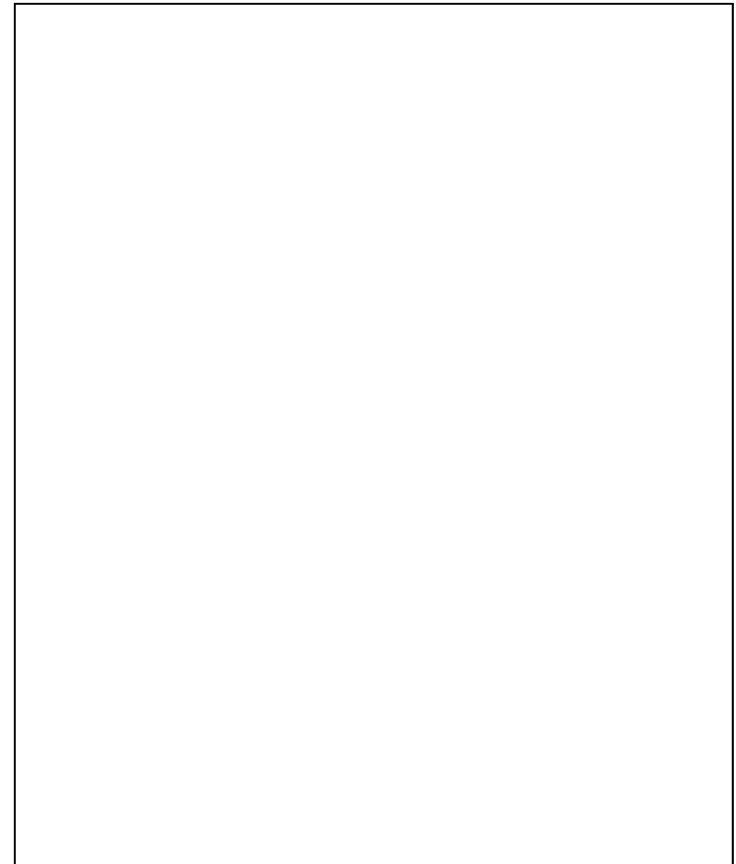

I can count to 100 by _____

If I had \$100, I would _____

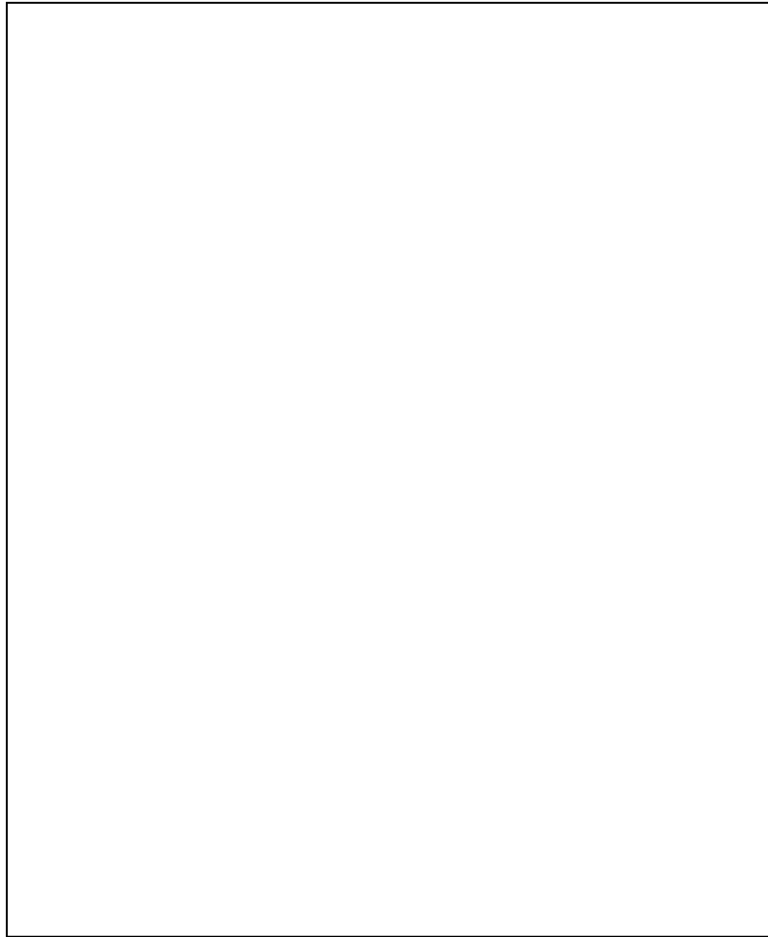

_____.

I would like to have 100

_____.

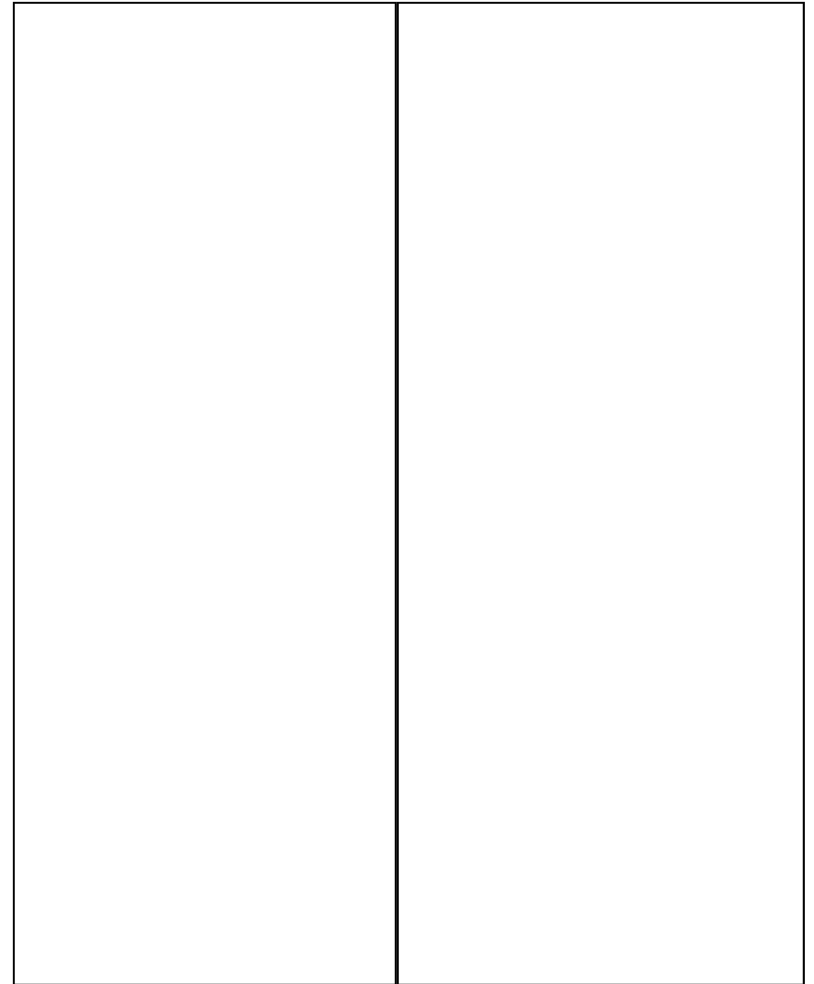

That would be a good thing!

I would not like to have 100

_____.

That would not be fun!

This is what I look like today,
and this is what I would look
like if I were 100 years old!
