

Dear Mom

I think of all
The things you do,
And then I know
Why I love you.

I love you, Mommy!

In all the world
I know it's true,
There is no mommy
Just like you!

You teach me things
That I should know,
You take me places
I want to go.

You make my lunch,
You read to me.
You help me when
I hurt my knee.

You sing me songs,
You hug me tight.
You show me how
To do what's right.
