St. Patrick's Day

We celebrate a special day
in March.

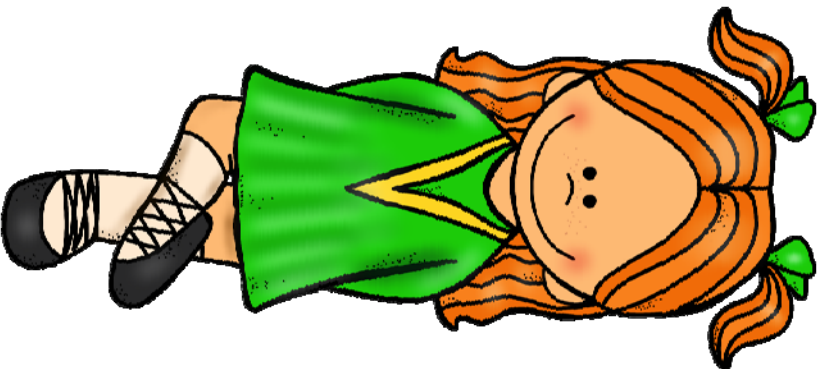

Not just the Irish celebrate
St. Patrick's Day. On this day,
everyone celebrates!

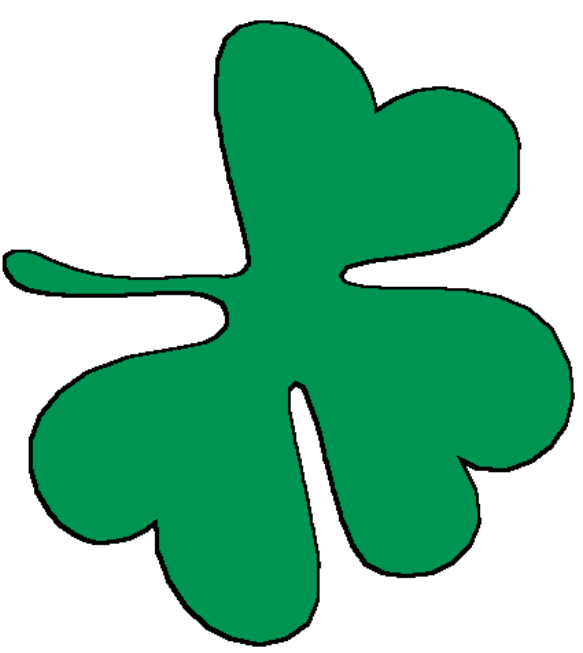

Leprechauns are Irish fairies.
They like to play tricks!

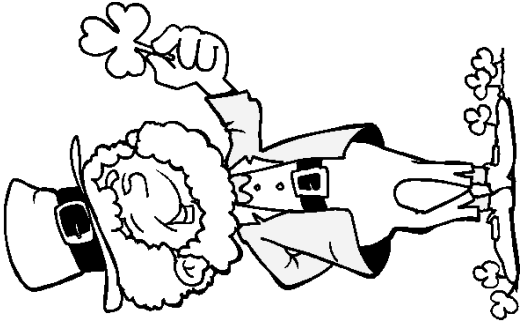

March 17 is St. Patrick's Day.

This is when Irish people
celebrate their country, Ireland.
They sing and do Irish dances.

Ireland is very green, with green
hills and valleys, so green is the
colour of the holiday.
We wear a shamrock.
