The Bug Hunt

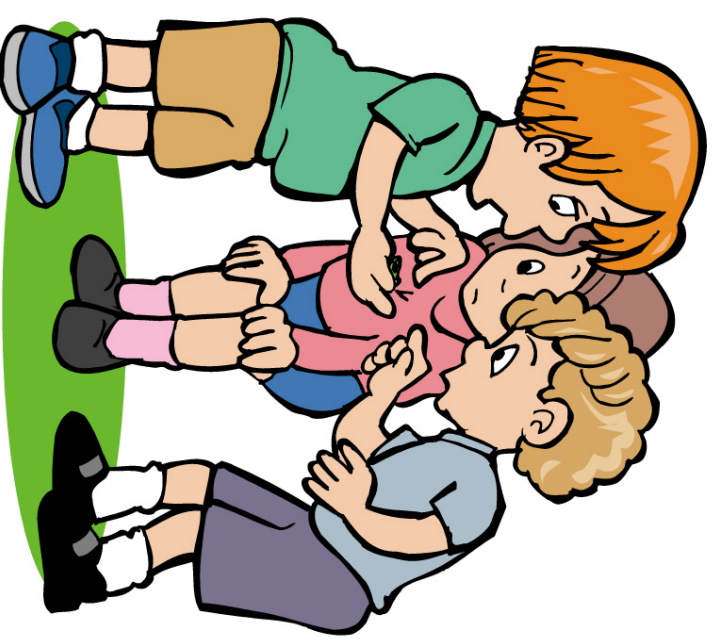

Going on a bug hunt

Going to find some bugs.

Look in every corner.

Peek under all the rugs.

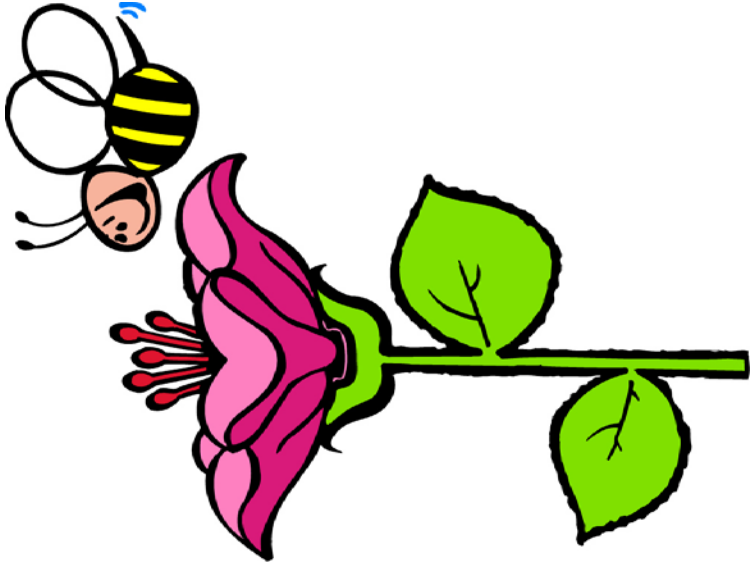

Going on a bug hunt

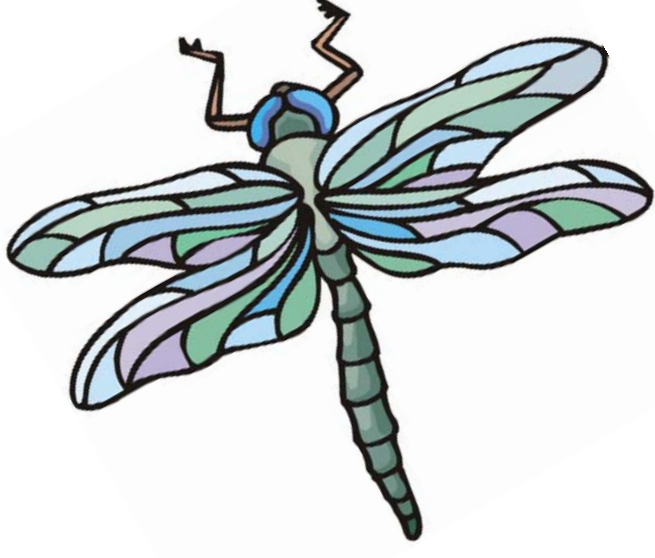

We'll look here and there.

Up and down, all around

Bugs are everywhere!

Going on a bug hunt
Looking up a tree
Searching in a flower
I'll find a honeybee.

Going on a bug hunt
Going to get my fill
Of dragonflies in ponds
Or ants upon a hill.

Going on a bug hunt
I'm sure to find a fly.
Mosquitoes and beetles,
A pretty butterfly.

Going on a bug hunt
Going to look at night
I'll surely find a moth
Circling around a light.
