

This little clown has balloons
to share,
No more, clown, or you will be
in the air!

These clowns can play, dance
and jiggle,
They make the children smile,
laugh and giggle!

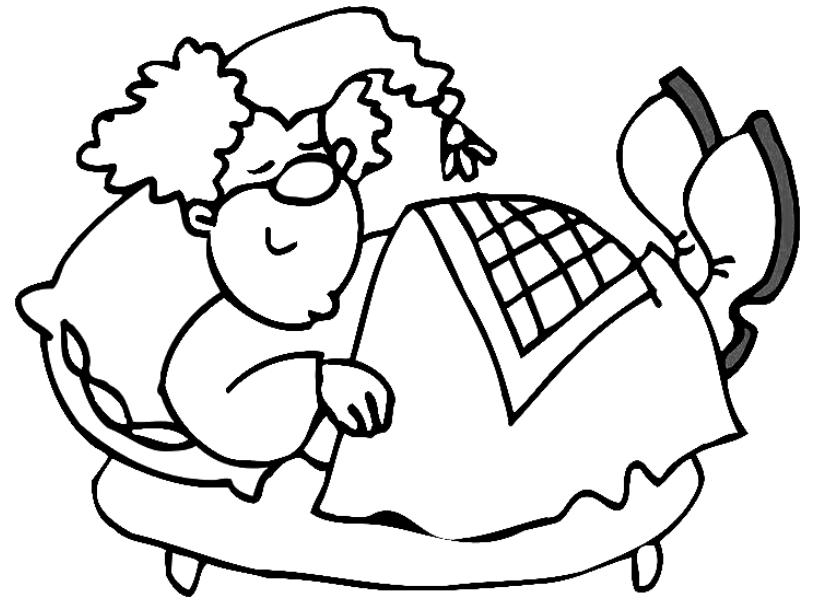

No one likes to skate more than
this clown,
But his feet are so big he always
falls down!

This funny clown takes a ride
down the street.
Who is the horse?
Can you tell by the feet?

This funny clown has his suitcase
and pet.
Do you think he's going on a boat,
bus or jet?

This crazy clown is sleeping
and snoring.
Even when napping a clown
isn't boring!
