

# Subtraction Practice

The Subtraction Practice booklet contains eighty reproducible pages of subtraction facts to help your students practice and master the skill of subtraction.

Included in this booklet you will find:

- reproducible record keeping sheets
- 80 reproducible Subtraction Practice sheets

The Subtraction Practice sheets are organized as follows:

Sheet	Description
1 - 10	vertical subtraction facts from five
11 - 20	vertical subtraction facts from ten
21 - 30	vertical subtraction facts from fifteen
31 - 40	vertical subtraction facts from twenty
41 - 50	horizontal subtraction facts from five
51 - 60	horizontal subtraction facts from ten
61 - 70	horizontal subtraction facts from fifteen
71 - 80	horizontal subtraction facts from twenty

Happy subtracting! ☺
