Happy  
New Year!

In this new year  
I'll be so good.  
I'll do the things  
I know I should.

In this new year  
Will you be good,  
And do the things  
You know you should?

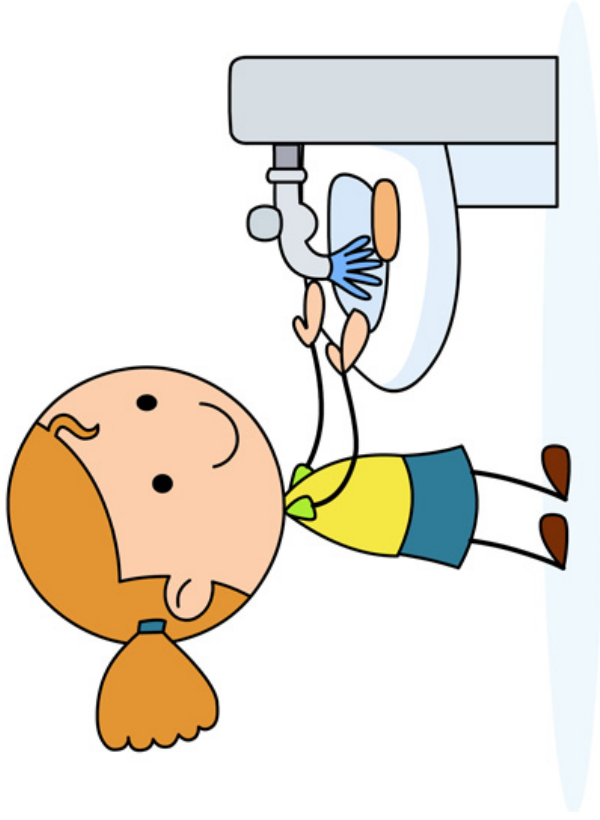

I am going to

Really try

And be as good

As apple pie.

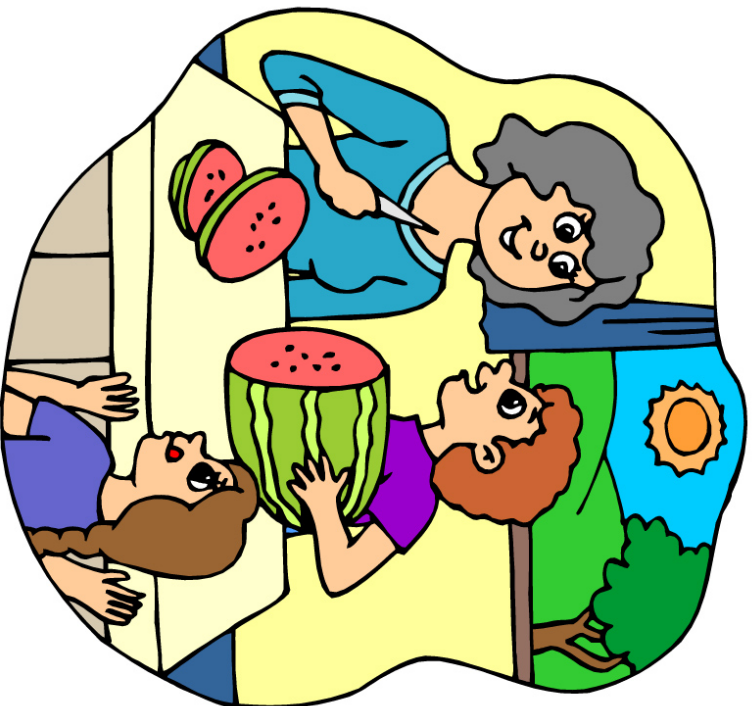

I'll wash my hands

And comb my hair

And never tip back

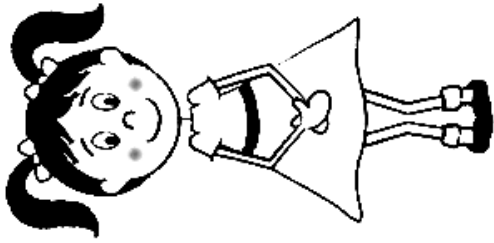

In my chair.

I'll be so kind  
To my little brother  
And help my sister  
And my mother.

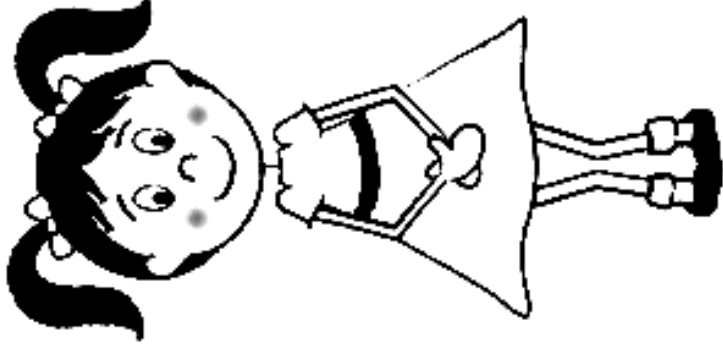

Some things are really  
Easy to do,  
But I know that I  
Will miss a few.
