Five pretty valentines waiting
in a store.

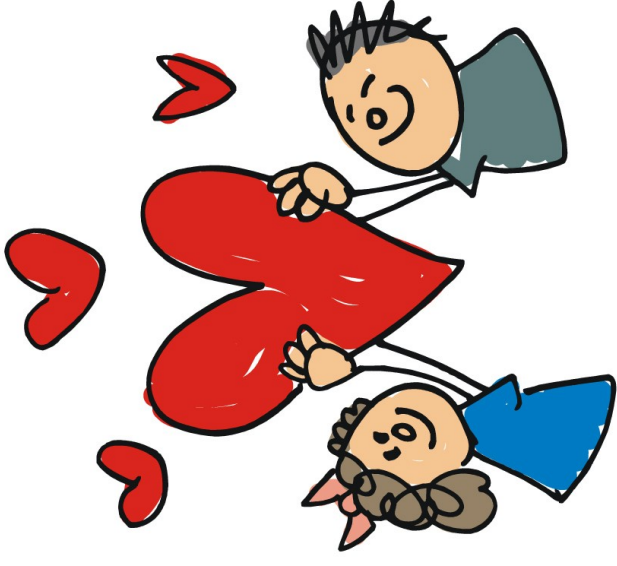

_____ bought one and then
there were four.

I felt sorry for it, so I bought it
for myself!

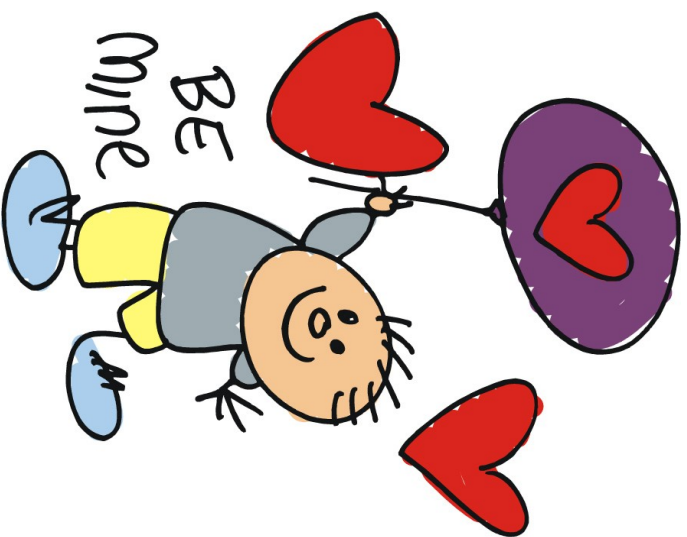

One pretty valentine sitting
on the shelf.

Four pretty valentines that

I can see,

_____ bought one and then
there were three.

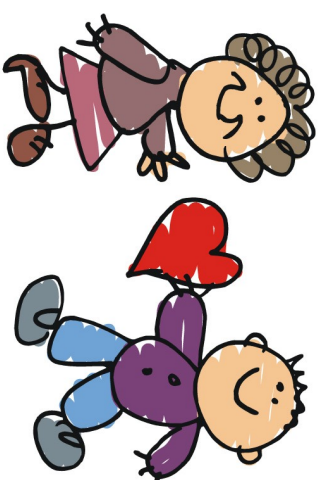

Three pretty valentines said,

"I love you".

_____ bought one and then

there were two.

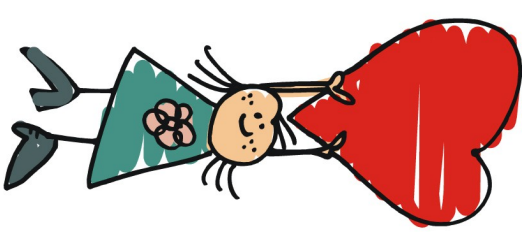

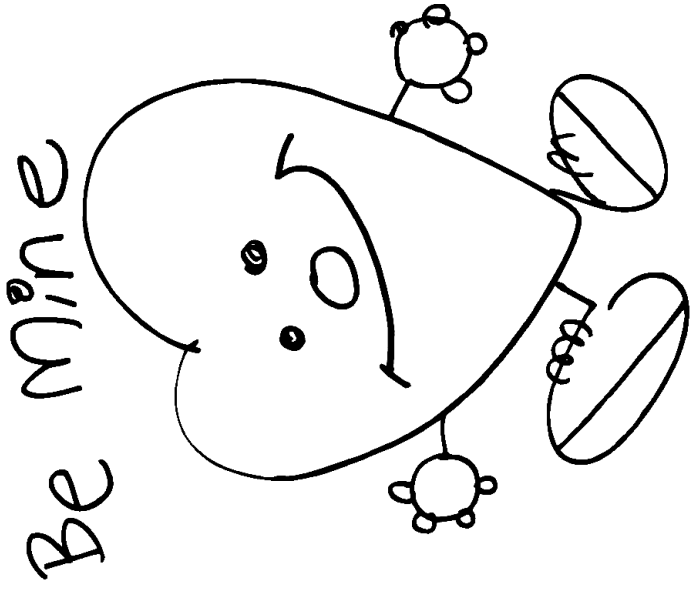

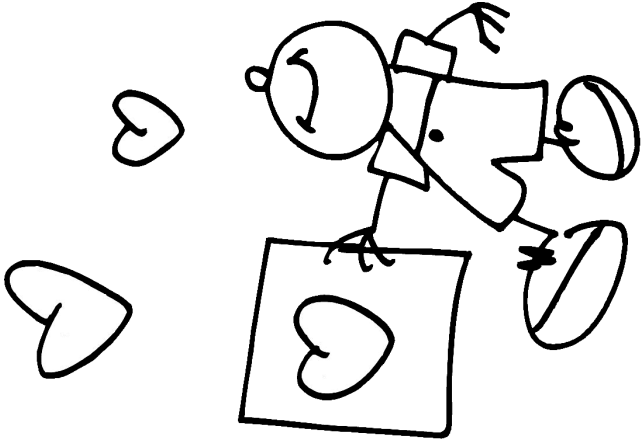

Two pretty valentines - this was

so much fun!

_____ bought one and then

there was one.
