

# Addition Practice

The Addition Practice booklet contains eighty reproducible pages of addition facts to help your students practice and master the skill of addition.

Included in this booklet you will find:

- reproducible record keeping sheets
- 80 reproducible Addition Practice sheets

The Addition Practice sheets are organized as follows:

Sheet	Description
1 - 10	vertical addition facts to five
11 - 20	vertical addition facts to ten
21 - 30	vertical addition facts to fifteen
31 - 40	vertical addition facts to twenty
41 - 50	horizontal addition facts to five
51 - 60	horizontal addition facts to ten
61 - 70	horizontal addition facts to fifteen
71 - 80	horizontal addition facts to twenty

Happy adding! 😊
